Hamilton is the main commercial centre within South Lanarkshire with a resident population of 50,000 and a district population of 105,000. Within 20 miles of the town there is a population of 1.13 million.

The New Cross Shopping Centre is an established part of the retail offer within Hamilton Town Centre. It commands a key location adjacent to the pedestrianised Quarry Street and the focal point of the "Top Cross" which delivers shoppers from the towns main bus, train and taxi termini on Brandon Street.

The New Cross Shopping Centre benefits from a recent comprehensive refurbishment and redevelopment, providing dramatic improvements to the mall finishes and the creation of several large retail units.

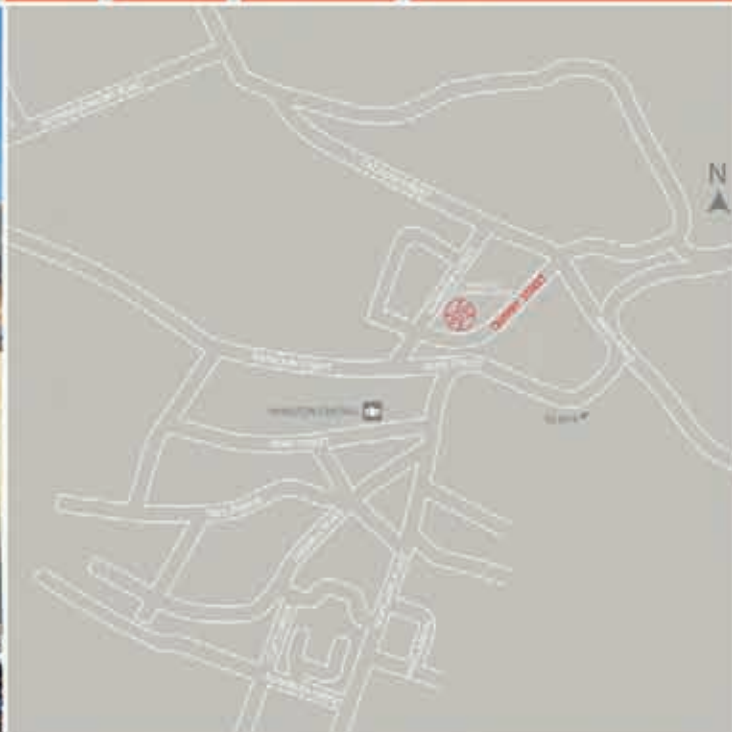

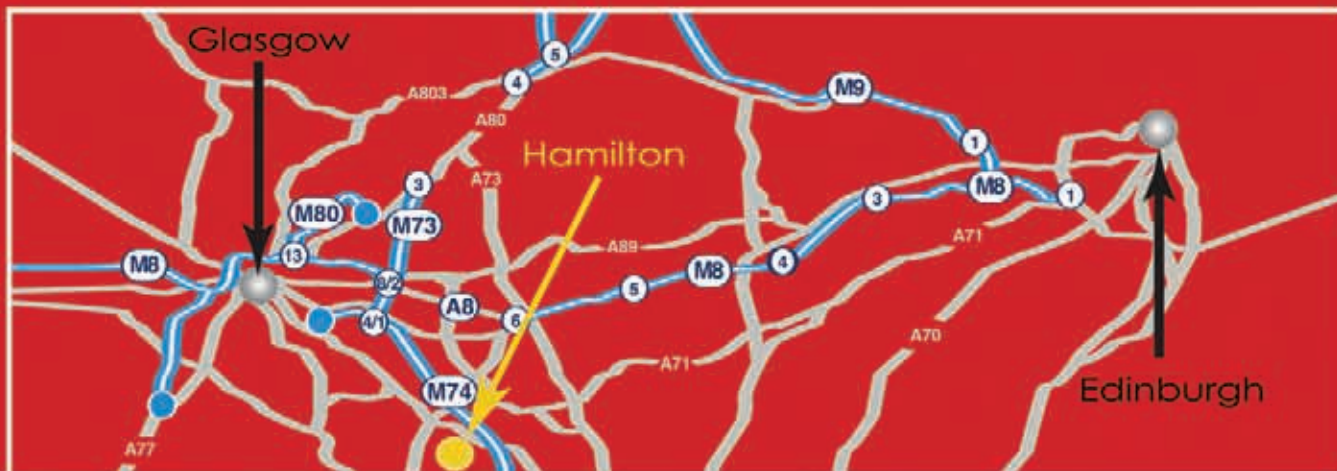

The centre also benefits from its own dedicated car park which has approximately 428 spaces accessed directly from the main mall
